CENTENARY HALL STONE APPEAL

A PERSONAL INVITATION

One of the greatest privileges of Freemasonry is belonging to something greater than ourselves. We inherit a proud tradition built by those who came before us, and we have the opportunity to leave it stronger for those who follow.

Freemasons' Hall in London is one of the greatest symbols of that legacy. Today, it is our responsibility to ensure it continues to inspire future generations.

The Centenary Hall Stone Appeal is about more than making a contribution; it is about becoming part of our shared story.

Every donation to the Appeal helps preserve our heritage for the future by supporting our Masonic Halls.

I warmly invite you to donate to the appeal and help secure the future of English Freemasonry.

Nicholas Edwards
Provincial Grand Master and Grand Superintendent

THE STORY OF FREEMASONS' HALL

Every generation of Freemasons leaves something behind.

Freemasons' Hall exists because our predecessors of one hundred years ago believed in leaving a legacy. Their vision created a lasting home for English Freemasonry.

Now it is our turn.

We have the opportunity to mark the Centenary of Freemasons' Hall by supporting Masonic Halls throughout the Constitution and creating our own legacy.

Honour the past. Strengthen the present. Build the future.

DONATING TO THE APPEAL

How to Donate - it couldn't be easier, by either using one of the links in Portal or via the QR code on the rear cover.

Your contribution is not measured by its size, but by the commitment it represents.

Previous generations built the Freemasonry we enjoy today.

Now it is our turn to leave something of equal value.

£600
Silver Centenary Building Jewel is the equivalent to £5 per month.

£1200
Gold Centenary Building Jewel is the equivalent to £10 per month.

£3000
Hall Stone Centenary Building Jewel is the equivalent of £25 per month.

TOGETHER WE CAN MAKE HISTORY

History is created when ordinary people unite behind an extraordinary purpose.

The Appeal gives every Province, District, Metropolitan Area, Lodge, Chapter and Brother the opportunity to play their part.

How it Works

One Contribution.
Three levels of Impact

Every donation made contributes to, you Personally, your Lodge and your Province.

This means your contribution forms part of something much bigger - helping to build collective progress across the Province.

A LEGACY RECOGNISED

Individual Recognition Everyone has the opportunity to take part and be recognised. Recognition is based on cumulative donations over the life of the Appeal. Each level is recognised with a Centenary Building Jewel, worn with pride and representing your personal contribution to the Centenary Hall Stone Fund.

Lodge Recognition Members of a Lodge can work together to achieve recognition levels, culminating in becoming a Centenary Hall Stone Lodge.

Lodges achieving Hall Stone Status will receive a Centenary Hall Stone Jewel for the Worshipful Master and permanent recognition at Freemasons' Hall.
