SUPPORT THE MASONIC FISHING CHARITY – VOLUNTEERS NEEDED

The Masonic Fishing Charity (MTSFC) offers unforgettable outdoor experiences to young people and adults with special needs across the UK. These events are not only life-changing for our participants, but they are also incredibly fulfilling for those who volunteer their time to support them.

Each year, nationally the Charity organises more than 100 fishing events across the UK, giving participants the chance to enjoy interactive, one-on-one fishing experiences in a safe and welcoming environment. These days are full of joy, laughter, and achievement, and they perfectly showcase Freemasonry at its very best: supporting the community with compassion and purpose.

But we can't do it without your help.

We are calling on Brethren across all Provinces, along with your friends, family, and colleagues to get involved. Whether you're a skilled angler or simply willing to lend a hand, there's a role for everyone

Experienced in fly or coarse fishing?

We need anglers to guide participants through their fishing journey, helping many catch a fish for the first time

Happy to help behind the scenes?

We need general volunteers to assist with setting up marquees, serving refreshments, managing logistics, and helping to make the day run smoothly.

A typical event day:

- 9:00 AM – Volunteers arrive for a bacon bap, tea and briefing
- 10:00 AM – Participants arrive and are paired with an angler
- 12:00 PM – Hot lunch served for all
- 1:00 PM – Awards ceremony, with every participant receiving a framed certificate and medal
- 3:00 PM – Participants depart

No matter your skills or experience, your support will make a genuine difference and help create memories that last a lifetime.

Your time, your kindness, your support will make a difference.

INTEGRITY

Building good people

Rather than working on buildings like the masons of old, today's Freemasons focus on building themselves as people of integrity, and membership provides the structure to help achieve that goal.

FRIENDSHIP

Building together

One of the oldest social organisations in the world, Freemasonry is not defined by an ideology. It is open to people from all religions and political persuasions, and provides the common foundation for friendships between members, many of which will last for life.

RESPECT

Building unity

With a membership of more than 200,000 people drawn from communities across the UK, Freemasonry brings people together irrespective of their race, religion or any other perceived differences that can divide us as a society

CHARITY

Building compassion

Kindness and charitable giving are deeply ingrained within the principles of Freemasonry. The organisation provides a support structure that helps members make positive contributions to communities and worthwhile causes through fundraising events or volunteer work.
