

Michael Sawyer Lodge of Reunion

No. 9848.

"A Lodge with a Special Purpose"

Our Lodge exists for Brethren who, through illness, caring responsibilities, mobility issues, travel difficulties or other circumstances, are unable to attend their own Lodges regularly.

As an **Honoured Guest**, you can continue to enjoy the friendship, companionship and sense of belonging that Freemasonry offers.

To qualify, a brother must remain a subscribing member of a Lodge.

An **Honoured Guest** is a brother who may no longer be able to attend his own Lodge but still wishes to enjoy Masonic fellowship.

"If transport is a problem, we'll happily arrange it..."

The Lodge provides:

- Tea and biscuits before the meeting
- Refreshments after the meeting.
- Festive Board Luncheon.

There is **no charge** for Honoured Guests, and there is no expectation to contribute to the Alms collection.

Our Meetings

We meet twice a year on Saturday mornings:

- **Fourth Saturday in April**
- **First Saturday in October** (Installation Meeting)

The day begins with a cuppa and conversation at **10:00 am**, followed by the Lodge meeting at **11:00 am**, followed by a Festive Board lunch, and usually finishes by **2:30 pm**.

Our October meeting is held at **Luton Masonic Centre**, while the Spring meeting takes place at an accessible Masonic Centre elsewhere in, or close to, the province.

"A Different Kind of Lodge"

MSLoFR is not a traditional working Lodge.

The emphasis is on friendship, good company and an enjoyable day together within a Masonic setting.

Interesting guest speakers are a regular feature, and one of our favourite traditions is **Fire After the Toasts**, where members use small wooden mauls to deliver the Fire—always with plenty of enthusiasm and good humour!

Lodge Members

Members currently pay an annual subscription of **£155** (January 2026), plus the joining fee and their own dining fees.

Their subscription also helps provide hospitality for two Honoured Guests at each meeting.

Our Ethos

At our Consecration, the **Pro-Grand master** (then Deputy Grand Master), **Right Worshipful Brother Jonathan Spence**, said:

"The aims of the Lodge, to re-engage with those brethren who find it difficult to attend their Mother Lodges, embrace the core values of Freemasonry"

Those words continue to guide us today.

Our Honoured Guests are never forgotten, never left behind, and always receive the warmest of welcomes...cheers

Brother Almoner's this lodge should be particularly important especially if you know of a lodge member or a brother who would benefit from becoming an Honoured Guest for the day.

Please consider visiting this lodge to see for yourself just how friendly and welcoming bunch they are...

This amazing, friendly lodge needs your support. For further information, please contact:
