

CRAWLEY GREEN INFANT SCHOOL

Beaconsfield, Luton, Beds, LU2 0RW

April 10 2026

The Worshipful Master & Members
Thistle and Rose Lodge
Dunstable, Bedfordshire

Dear members of the Thistle and Rose Lodge

I am writing to extend my deepest gratitude on behalf of the staff, governors and more importantly, the children of Crawley Green Infants School. We are once again overwhelmed by the kindness and dedication shown by the members of Thistle and Rose Lodge.

The support you have provided in ensuring our school remains a safe and secure environment . for our children is invaluable. As a school, our primary responsibilities are the safety and well being of our young learners, and your continued assistance plays a significant role in helping us meet that commitment. It is heartening to know that we have such steadfast friends within the local community who are willing to give so generously their time and resources.

The impact of your work is felt every day as the children enter a space that is not only welcoming but protected. In an era where school budgets are increasingly stretched, the practical help you offer allows us to focus our efforts on delivering the high quality education and care that our pupils deserve.

Since Martin joined our school, he, and the members of the Lodge have greatly enhanced and improved the well being of the school. Please convey our thanks to everyone involved. We truly value the ongoing relationship between Crawley Green Infants School and the Thistle and Rose, and we look forward to welcoming you back to the school in the near future. Thank you.

Yours sincerely

Gemma Shadbolt
Headteacher
