

PROVINCIAL GRAND LODGE & CHAPTER OF BEDFORDSHIRE

Community Engagement Team

All volunteers, Sue Ryder Starlight Hike, 3rd October 2026

6th October 2026

Dear all,

I wanted to write to thank all the Bedfordshire Freemasons, their wives, partners and friends who volunteered to assist at the Starlight Hike on Saturday, for giving up your time to help ensure that this event ran smoothly, successfully and was enjoyed by all the participants.

I know that you all worked really hard to ensure that the car parking before the event, and the marshalling of the route were handled with efficiency and good humour. The organisers were extremely grateful for our support, and noted that the event couldn't have happened without our assistance.

We already know that, as freemasons, we freely donate money to worthy charitable causes. Events such as the Starlight Hike enable us to engage with the community by offering another precious commodity - our time. This is one of the fundamental goals of the Community Engagement Team, and I am so proud of the way Bedfordshire Freemasons are giving their time to make it all possible. Even better, we have fun doing it - and all for such a fantastic cause.

Sincerely & Fraternally,

Steve
