

VOLUNTEER DRIVERS REQUIRED

Can YOU help us to maintain our Community Bus Services?

Do you have as little as 1 morning per month to spare?

Do you have time to spend for a really rewarding morning?

Wanderbus, based out of Meppershall, is run entirely by volunteers. We operate two 16-seater buses on weekdays (mainly mornings) with fixed routes collecting passengers in the rural villages around Shefford & Stotfold and going to local & regional Shopping & Town centres. There we park up and wait for 2/2.5 hours before returning. This is of course your free time as well!

What Do You Need to Drive?

1. Group D1 on your Driving Licence – if 50 or older you will still have D1 on your licence - that allows you to drive a 16-seater bus – easier than driving a motorhome.
2. Aged 25 – 70 in good health. We can provide information on how you get D1 classification from DVLA, if you do not already have it.
3. A free weekday morning – bus departure times are around 08.45/09.00 and you will be back in Meppershall between 12.00 & 13.30 (latest). We can allocate routes to suit if you need the earlier return time.
4. A desire to help our local communities. Whilst we are a fixed route bus service open to all passengers the majority are elderly who rely on our services to get out and about and enjoy the social interaction of fellow regular passengers.

Full driver training will be given (classroom & practical) and you will can be accompanied by one of our regular drivers until you are totally happy to 'go solo'. Don't worry about learning routes – the passengers will tell you where to go if you are unsure!!

If you want to spend a very rewarding morning PLEASE contact us for more info and an application form on 0300-123-3023 or e mail thewanderbus@gmail.com
